## **Xulon Title Emphasizes that Each Person has a Divine Purpose**

Blaisdell pens a testimonial of his ministry and missions to equip readers with faith

MAITLAND, FL— Rick Blaisdell's new book, ***One Life to Give***, (\$29.99, paperback, 9781498423816; \$9.99, e-book, 9781498423823) exists for those who are sincerely looking for hope and purpose in their lives. It is a living testimony of what God can do with a life given to Him in faith. The author's experiences prove that God opens the door, and makes the seemingly impossible, possible. In addition to the detailed journal entries, which provide vivid details of Rick's mission trips, the book is comprised of original color photos, maps, countless testimonies of salvation, transformation, miracles and signs, and more.

"There are many without hope and direction living among us in this present time," states the author. "They rise in the morning, and wonder if there is anything worth living for. We, as believers, know this is true. We also know that our God is the source of real and lasting peace, hope, and a quality of life that we never knew was possible."

Rick Blaisdell has personally experienced the miracle of the new birth in Christ. This book is an eyewitness account of twenty years bringing the same life-changing gospel to the multitudes of people in seven foreign nations. Fifteen separate short-term missions journeys are written into this book. Each chapter is a day-by-day account of what the author saw and experienced. It is written to give the reader a remarkable and inspirational inside look at how powerfully God still works His miracles today. The author shares, "I have seen His love, mercy, and compassion poured out upon the most destitute and hopeless. God has not changed."
